My only comment is, I'm just, the whole area, neighborhood, everybody is completely appalled by this action to purchase the railroad and how it'll affect the entire community here in Aurora and we all live near the train tracks, we all have children and, there's so much to talk about though, there's so much gonna go through here and we really need to be able to have emergency vehicles come through, the hazardous materials that's gonna come through is, just the thought of it is appalling and I just want my comment noted.that I'm speaking for a lot of people in this area, in Amber Field, Liquid Valley, Wheat Lands area, and just want our voices to be heard that we are vehemently against the acquisition of the EJ&E Railroad by Canadian National Railway. Thank you very much for your attention.
