Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

my concern foremost is the rail traffic
that would cause Emergency Vehicles
& personell increased time to the
hospital from 4 or 5 tracks.

I have two children whom will
be affected by the trains & safety
concerns walking to & from school,
to town etc....

Efficiency should not be
the factor but safety for
all in the town.

Barrington will never be the
same wonderful community it
has been in the past.

YOUR INPUT IS IMPORTANT!
