

9-6-08

To Phillis Johnson-Ball,

We live in New Lenox down
the block from Cherry Hill School.
There are 16 classes of kindergarten
children in session everyday.

Lives which are very precious.
The tracks are about a block
away from Cherry Hill School.

Please don't let the freight trains
come by with hazardous material.
We are very opposed to this CN
merger. Chris & Joe Buonadonna
