Dave,

Following up on our conversation this morning, CSX Transportation, Inc. does not anticipate the removal of any trees during salvage of the line. If you have other questions or need additional information, please let me know.

Thanks,
Melanie

Melanie –

Following up on the message I left with Lou on Friday, I'm trying to wrap up the Draft EA for this abandonment but have some questions about your IPaC submittal to the USFWS and that agency's two replies.

Please call me at your earliest convenience.

Thanks,

Dave
