

080203 Faust

Hello. My name is Catherine Faust and I live on East Drury Lane in Barrington and my comment would be that I live just east of the EJ&E tracks and it would be impossible for the emergency service to get me to the hospital if we get anymore of these trains going by. At the moment, we're not too hindered by it but if we get as many as you say, maybe up to 20 a day, it would be impossible for the emergency service just to get my husband to the hospital either along Northwest Highway or along Huff St. There are two main lines of access to the hospital and this really disturbs me and I would like to make that comment. Thank you.
