To whom this may concern,

I WAYNE T. LEONARDI, a resident of North Barrington 471 Miller Rd, would like to share my concerns over this Acquisition and any further Railway expansion. We live in an area that continues to expand and for safety and environmental concerns this Route will literally cut off and make traveling in the Barrington, Lake Zurich area dangerous and impossible during the Day/Night. The Route cuts diagonally across our Road system and thus will cause intense traffic jams and this is not acceptable due to the fact that Schools, hospitals, businesses & residences will be cut off from our way of living, this will cause safety & financial drawbacks etc. I hereby demand an alternate Route be looked at or completely abolished.
