I would just like to say that I hope um this deal does not go through. I have a little daughter, um who would be playing near that railroad and it's loud. It's hard enough to sleep at night as it is because uh the train goes off and the whistle blows, I can't even imagine the thought of that happening uh four times, even two times as much. Um again, it wakes her up as it is, it wakes us up too, but uh I just hope that you guys would consider that the people that live around that area um and people are more important than um than cargo. Uh thank you
