You have got to be crazy. Everyone knows the traffic in this town over the past 20 years has become a big problem. Extra trains will shut this town down. The train also runs through 2 main parks. I hope you can live with blood on your hands when a child is killed. This is one of the few towns left that one can feel safe, get a good education and live well. We don't want you.

The people you sent to Barrington were cold hearted and were laughing in our faces. They will be judged by a higher power ~~than myself~~ for their actions one day.
