please no more trains I want
to be safe.

Doesn't live near any tracks, but has
to cross tracks every day many times a
day to go to school, activities, friends,
doctors.

How will any business ever survive in
our small towns.

Enough with big business!

I beg for the sake of children + all
people to keep us safe.

We deserve a quality of life that we
work hard for.

All people need to stand up for
their communities!!

YOUR INPUT IS IMPORTANT!
