Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

The proposed CN railway acquisition will greatly affect the Barrington community in a negative way. Ambulances on their way to Good Shepherd Hospital will be significantly delayed. Therefore putting people at a higher risk of death. Noise levels will increase at surrounding homes. Traffic volumes will greatly increase thus backing up traffic for miles. Please stop the CN! PEOPLE BEFORE FREIGHT!!!
