- Here is a list of what this change will mean to me and my family.
1. My family, friends and anyone who needs health care will be blocked from the hospital's easy access.
 2. My small company will have giant cost increases in getting to jobs in town.
 3. The already horrible traffic will get a lot worse.
 4. The whole town will shut down with traffic blocked so often.
 5. The increase in noise pollution will make our environment less desirable and stop the value of our homes.
 6. If people's homes on the opposite side of the tracks have a fire the fire department will not be able to help.
 - 7.
