RE: US Surface Transportation Board Finance Docket #35087

Anne,

This letter is being sent requesting that you extend the period for accepting comments on the sale of the EJ&E Rail line to CN from 45 days to 120 days.

Our place is close to the railroad line and will affect our commuting to and from work.

I understand the necessity of the railroad but the increased traffic will affect not only travel times but also our family life, as we are a very outdoors family.

Sincerely,

Ruth Fennema
