Re: STB Docket No. AB-721X
Everett Railroad Company – Discontinuance of Service Exemption – Line In
Blair County, PA

Dear Secretary Williams

In accordance with Board rules, Everett Railroad Company ("EVRR") hereby advises and certifies that, pursuant to the notice of exemption served by the Board in the above-captioned proceeding and published in the Federal Register on November 16, 2007 (72 FR 64703), it has acted upon its notice of exemption, and has discontinued rail common carrier service over the subject rail line segment effective as of December 20, 2007. Specifically, on December 20, 2007, EVRR officially discontinued service by directing that the Open and Prepay Station List ("OPSL") be revised to omit reference to the station at Curryville, PA, and by revising EVRR's local rate circular (EV 8000-C) to exclude reference to Curryville, PA, as an EVRR station from which rail service is available.

Sincerely,

Robert A. Wimbish
Counsel for the Everett Railroad Company
