Comment Form

Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8/27/08

Comments must be submitted by September 30, 2008.

When the CCx went through in
Cleveland- what effect did it
have on home values?

Also what studies have been done
AFTER the Cleveland deal went into

effect - Did the "proposed information"
done prior to the acquisition hold true
after it was implemented? Was it better
or worse than STB predicted?

Thank You
