POOLING AGREEMENT

Part of
Public Record

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Blair Transfer & Storage, Inc. with its principal offices at 7600 Desmet Road, Missoula, Montana, 59806, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic

audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

17. Notice

Notices required to be given under this Pooling Agreement shall be in writing addressed as follows:

POOLING AGREEMENT

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Chips Express, Inc., with its principal offices at 712 South Indiana Avenue, West Bend, Wisconsin, 53095, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent.

Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

POOLING AGREEMENT

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Cloud Enterprises, Inc., d/b/a Clouds Moving & Storage, with its principal offices at 1509 South Sandhill Drive, Washington, Utah, 84780, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic

audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Colonial Moving & Storage, Inc., with its principal offices at 375 Jaffrey Road, Peterborough, New Hampshire, 03458, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent.

Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

Part of **POOLING AGREEMENT**
Public Record

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Commonwealth Movers, Inc., with its principal offices at 4111 W. Clay Street, Richmond, Virginia, 23230, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic

audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

Notices required to be given under this Pooling Agreement shall be in writing addressed as follows:

If to Wheaton:

POOLING AGREEMENT

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Flatbush Moving Van Co., Inc., with its principal offices at 195 Bay 19th Street, Brooklyn, NY, 11214-4617, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent and a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent.

Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

POOLING AGREEMENT

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and G.R.G. Movers, Inc., d/b/a Greater Relocation Group, and d/b/a Greater Columbus Transfer, Inc., with its principal offices at 4740 Groves Road, Columbus, Ohio, 43232, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic

audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Patton's Movers, Inc., with its principal offices at 160 Imboden Drive, Winchester, Virginia 22603, hereinafter referred to as "Carrier-Agent."

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("STB"); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the STB under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United State, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipment with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a corporate resolution or power of attorney (if Carrier-Agent is a sole proprietorship or partnership) and a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form and corporate resolution or power of attorney transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

In the event that Carrier-Agent has violated the terms of this Pooling Agreement by transporting a shipment in excess of the mileage limitation of the option elected by Carrier-Agent or by not booking for Wheaton's account a shipment when the shipper requested the service of Wheaton, Carrier-Agent shall pay Wheaton twenty-five percent (25%) of the total revenues received

from such shipment; and Wheaton shall have the option unilaterally to terminate the Agency Agreement and Pooling Agreement with Carrier-Agent.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority and to furnish to Wheaton, upon request, monthly itemized statements, in the form to be prescribed by Wheaton, of the revenues derived from all such transportation.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the STB. This agreement shall be effective from the date of execution hereof or the effective date of approval by the STB, whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent.

Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

POOLING AGREEMENT

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Master Movers & Delivery Service, Inc., with its principal offices at 225 Lincoln Highway, Fairless Hills, Pennsylvania, 19030, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic

audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

POOLING AGREEMENT

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation, with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Paul H. Clark, d/b/a Paul's Transfer Co., Inc., with its principal offices at 340 Anderson Street, Phillipsburg, New Jersey, 08865, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic

audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

POOLING AGREEMENT

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and RJH Worldwide, Inc., with its principal offices at 345 Lincoln Avenue, Vineland, New Jersey, 08361, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage

allowed by the pooling option elected by Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

17. Notice

Notices required to be given under this Pooling Agreement shall be in writing addressed as follows:

If to Wheaton:

POOLING AGREEMENT

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and Statesboro Transfer & Storage Co., Inc, with its principal offices at 309 Matthews Road, Statesboro, Georgia, 30459, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic

audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

ADDENDUM C

Office of Public Records

POOLING AGREEMENT

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and West Coast Relocation, with its principal offices at 565 Porter Way, Placentia, California, 92870, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent.

Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.

AGREEMENT between Wheaton Van Lines, Inc., an Indiana corporation, with its principal offices at 8010 Castleton Road, Indianapolis, Indiana, hereinafter referred to as "Wheaton," and White Knight Transport Services, with its principal offices at 10800 Monmouth Highway, Monmouth, Oregon, 97361, hereinafter referred to as "Carrier-Agent".

WITNESSETH

WHEREAS, Wheaton and Carrier-Agent are motor common carriers of household goods in interstate or foreign commerce subject to the jurisdiction of the Surface Transportation Board ("S.T.B."); and

WHEREAS, Wheaton and Carrier-Agent desire, subject to approval of the S.T.B. under 49 U.S.C. Sec. 14302, to agree to pool or divide traffic, services, and earnings in the transportation of household goods;

NOW, THEREFORE, in consideration of the mutual promises hereinafter contained, the parties hereby agree as follows:

1. Motor Carrier Operating Authority

a. Wheaton represents and warrants that it holds in good standing Certificate of Public Convenience and Necessity, No. MC-87113 (Sub-No. 20). This certificate authorizes transportation, over irregular routes, as a motor common carrier of household goods between points in the United States, attached hereto as Addendum A.

b. Carrier-Agent represents and warrants that it holds in good standing authority as a motor common carrier to transport household goods between certain points in the United States, as set forth in the Certificate(s) of Public Convenience and Necessity, attached hereto as Addendum B.

2. Agency Agreement

Wheaton and Carrier-Agent represent and warrant that they have entered into a separate Agency Agreement governing the services and compensation for transportation performed pursuant to Wheaton's motor carrier authority. The parties agree that the continuance of this Agency Agreement is a condition to the continued participation by Carrier-Agent in this Pooling Agreement.

3. Pooling

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

Wheaton hereby consents and agrees to divide traffic, services, and earnings in the transportation in interstate or foreign commerce of household goods to the extent that Wheaton's and Carrier-Agent's interstate motor common carrier authorities are duplicative. Carrier-Agent shall book and register all household goods shipments with Wheaton when the customer requests the services of Wheaton, or when the shipment moves beyond the mileage limitation in the pooling option elected by Carrier-Agent, as provided herein. Wheaton agrees that Carrier-Agent may, in its discretion, request that Wheaton transport a shipment within the scope of the Carrier-Agent's authorized mileage allowed by the pooling option elected by

Carrier-Agent; and if Wheaton agrees, the shipment is to be booked for transportation under Wheaton's interstate motor common carrier authority.

4. Election of Pooling Option

Except for shipments booked for and registered with Wheaton, as provided in paragraph 3 above, Carrier-Agent may operate under its own motor common carrier authority to the extent provided in the pooling option elected by Carrier-Agent by execution of a designation of election form, copies of which are attached hereto. Carrier-Agent shall elect one of the following pooling options:

Option I -- Carrier-Agent agrees not to operate in interstate or foreign commerce as a motor common carrier pursuant to its motor common carrier authority to transport household goods.

Option II -- Carrier-Agent may transport under its own motor common carrier authority, in its own equipment, household goods shipments tendered for transportation in interstate or foreign commerce which are to move a distance of up to 500 miles from its principal office or within the geographic scope of its motor common carrier authority, whichever is less. Wheaton shall not be obligated to provide return loads to Carrier-Agents who elect Pooling Option II when they transport shipment under their authority. If return loads are provided under this Option, the Carrier-Agent shall be compensated on the basis of seventy-five percent (75%) of the net transportation charge (63% to Power Unit, 12% to Cargo Unit), if less than 500 miles.

"Net transportation charge," as used herein, means the revenues received for transportation, exclusive of charges for packing, unpacking, and accessorial services, after deducting all applicable pick-up charges, discounts, military shipment charges, valuation charges, and brokerage charges.

5. Change of Election of Pooling Option

Carrier-Agent may change its election of pooling option only once per year by execution of a new designation of election form transmitted to Wheaton at least thirty (30) days prior to the termination date of the previous election period.

6. Transportation by Carrier-Agent

Carrier-Agent agrees that all shipments booked for movement under its motor common carrier authority shall move pursuant to Carrier-Agent's tariff or government rate and shipping documents and in vehicles identified as those of Carrier-Agent. Carrier-Agent shall make full and complete disclosure to shipper that said shipment is being hauled by Carrier-Agent pursuant to the Carrier-Agent's operating authority and is not being hauled by Wheaton under its interstate operating authority. Copies of Carrier-Agent's shipping documents shall be provided to Wheaton upon request. Carrier-Agent shall not commingle in the same vehicle shipments moving under its operating authority with shipments booked for movement under Wheaton's interstate operating authority.

7. Violations of Agreement

Agents who violate the provisions of their pooling agreement by operating beyond their limits will be subject to penalties. The first offense will result in a \$1,000 fine, the second offense will result in a \$1,500 fine, and a third offense will result in a \$2,500 fine and possible termination of the agency agreement.

Any expenses, including attorney fees, incurred by Wheaton in collecting those amounts or in terminating the Agency Agreement or its Pooling Agreement, shall be paid by the Carrier-Agent. Likewise, any expenses, including attorney fees, incurred by the Carrier-Agent in successfully defending any such suits shall be paid by Wheaton.

8. Compliance with Rules and Regulations

When Carrier-Agent transports shipments under its own operating authority, Carrier-Agent agrees to comply fully with the rules and regulation of the Secretary of Transportation and the various states in which Carrier-Agent operates.

9. Hold Harmless Clause

Carrier-Agent agrees to hold Wheaton harmless against any claim, demand or assertion of liability resulting from transportation performed pursuant to Carrier-Agent's motor common carrier authority and to indemnify Wheaton for any payment required to be made for loss incurred by Wheaton, including attorney fees and all necessary costs and expenses in connection therewith arising out of or connected with the operation of vehicles by Carrier-Agent under its motor common carrier authority, including any such claim, demand, assertion of liability, payment or loss arising from (1) injury or death of any driver and/or helper of Carrier-Agent; (2) personal injuries and/or property damage to the public occurring during the course of operation of Carrier-Agent's vehicles; (3) any cargo loss or damage or liability occurring while cargo is being packed or unpacked, being loaded into, being unloaded from, or transported in vehicles of Carrier-Agent; or (4) negligence and/or dishonesty of the driver and/or helpers of Carrier-Agent.

10. Insurance

Carrier-Agent agrees to maintain in full force and effect during the term of this agreement, at its own expense, workmen's compensation and employer's liability insurance, in statutory amounts as may be required by law, and bodily injury, property damage, and cargo insurance in not less than the minimum amounts required by the Secretary of Transportation and the states in which Carrier-Agent operates motor vehicles. Carrier-Agent agrees to name Wheaton as an additional named insured on its bodily injury, property damage, and cargo insurance policies and to furnish Wheaton copies of said policies or endorsements. Carrier-Agent agrees to indemnify and hold harmless Wheaton from any and all claims arising out of or in any way connected with the Carrier-Agent's failure to provide insurance as prescribed herein, including the payment of any attorney fees or costs.

11. Operating Compliance, Records and Reports

Carrier-Agent agrees to establish and maintain accurate records of the volume of shipments and revenues from household goods transportation performed under Carrier-Agent's

motor common carrier authority. Carrier-Agents who select Option II will be subject to periodic audits to ensure compliance and will be required to provide proof of proper fuel tax filings, permit purchases, state and franchise tax filings, and separate order documentation, paperwork, and advertising materials.

12. Assignment

This agreement may not be assigned by Carrier-Agent.

13. Waiver Provision

The failure of either party hereto (a) to enforce at any time any of the provisions of this agreement, or (b) to exercise any option which is herein provided, or (c) to require at any time performance by the other of any of the provisions hereof, shall in no way be construed to be a waiver of such provisions, nor in any way to affect the validity of this agreement, or the right of such party thereafter to enforce each and every such provision.

14. Governing Law

This agreement shall be governed by and construed according to laws of the State of Indiana.

15. Original Agreement

This agreement has been executed in duplicate and all copies shall be deemed to be an original.

16. Term of Agreement

The pooling plan evidenced by this Pooling Agreement is subject to approval by the S.T.B. This agreement shall be effective from the date of execution hereof or the effective date of approval by the S.T.B., whichever is later, and shall remain in effect until the Wheaton Agency Agreement with Carrier-Agent is terminated or Carrier-Agent breaches this Pooling Agreement, in which case the Agency Agreement may be terminated by Wheaton in accordance with the terms of this Pooling Agreement.
