Address	3305 Kasey Court				
Address 2					
City	Lockport	State	IL	Zip	60441

Transcript:

We haven't addressed fully the negative impact in their own country as a failure rate of this railroad. I have heard several things that say they have a very bad on time ratio and also poor service, and would it be any different in our country that they have such a poor record in their own country of Canada. I am fully opposed to this acquisition, thank you so much.
