

Uinta Basin Railway

ENVIRONMENTAL IMPACT STATEMENT

How do I Submit Comments?

- **Written Comments:** Complete and submit this form at a public meeting, or mail your comments to the Surface Transportation Board's address at the bottom of this page.
- **Recorded Comments:** Provide your comments to a court reporter at a public meeting.
- **Electronic Comments:** Submit electronic comments by visiting the project website: www.uintabasinrailwayeis.com

Please refer to Docket No. FD 36284 in all correspondence addressed to the Surface Transportation Board. All comments must be received or postmarked by August 5, 2019.

Prefer Craig Colo route. Other routes will have a much greater impact on the peaceful environment. The fire danger would be greatly increased by the sparks from the train and the dead trees and all other vegetation. It will cause damage to the wildlife and their habitat. The construction would involve road closures, access limit to our property, and just the

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization. (over)
