Re: Hartwell First United Methodist Church –
Adverse Abandonment and Discontinuance – The Great Walton Railroad
Company, Inc., in Hart County, GA
Docket No. AB 1242
Errata to Hartwell First Reply

Dear Ms. Brown:

It has come to our attention that there was an error in the Reply of Hartwell First United Methodist Church to Motion to Rebut e-filed earlier today. On page 4, the full paragraph should read as follows (with corrections as marked):

GWRC also continues to argue that previously submitted Exhibits demonstrate that its predecessor Hartwell Railway has title to the real property where the north spur was located for over 100 years. Motion to Rebut, pp. 2-3. However, this is not the case. ~~Both referenced documents indicate that anything the railroad owned was within its acknowledged 20-foot right of way.~~ The valuation map included in prior filings as GWRC Exhibit 1 shows a spur track totally within the right of way, while ~~and~~ the ICC valuation documents, p. 7, included in prior filings as GWRC Exhibit 35 ~~describe~~ appear to show the “storage track” as being partially only 7’ from the centerline of the main line - i.e., within the 20-foot right of way, and partially as being 12’ from the centerline. However, neither demonstrates title to or ownership of any real property outside of the 20-foot right of way where the north spur was located.

Please substitute this paragraph for what appears in the original.
