Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

As a mother of two I cannot stress enough
the danger this would pose to my children.
My children, especially my teenage daughter,
cross these tracks several times a day.

The quality of life in Barrington, as well as many
other communities, would be greatly diminished.
The noise and traffic would increase
tremendously.

I would venture to say that the people that
want this to happen DO NOT live in any
of these communities.

We cannot allow greed to degrade the
quality of life for so many!

YOUR INPUT IS IMPORTANT!
