**RE: Decision and Notice of Interim Trail Use or Abandonment Union Pacific Railroad
Company – Abandonment Exemption – In Lafayette County, Missouri Docket No. AB 33
(Sub-No. 297X) Service Date – March 7, 2018**

Dear Ms. Brown:

Under the above described Decision, the Notice of Interim Trail Use (NITU) for purposes of negotiation was granted March 7, 2018, and the permit for public use negotiations was granted until July 21, 2018.

At this time, the City of Lexington, a third class city, situated in Lafayette County, Missouri, is formally requesting extension of the NITU for purposes of negotiation with Union Pacific Railroad Company, and permit an additional 180 days from July 21, 2018, for those public use negotiations. This additional time is being requested in anticipation of fully completing this negotiation process during this period. The parties are very close to final settlement of this matter. Union Pacific Railroad and the City have agreed on a purchase price, but need further time to prepare legal documents to finalize this transaction. Pursuant to discussions with Union Pacific Railroad Company representatives, the Company has no objection to this request.

On behalf of the City of Lexington, I appreciate your consideration of this request. Please contact me at your earliest convenience if you should have any questions.

Respectfully yours,

Valoree Maycock
Attorney for the City of Lexington, Missouri
