I am opposed to the purchase of the

4

EJ&E railroad by CN Railway. I feel that this

5 will be a very big detriment to our community and
6 all the communities along the corridor of the
7 current EJ&E Railway.

8 I know that it will impact my
9 quality of life with the train congestion, thus
10 leading to car congestion, thus leading to also
11 noise impact.

12 My biggest fear is emergency
13 services being tied up by increased train traffic.

14 Currently, we have a very big
15 traffic problem in our community which could only
16 be worsened, if not doubled or tripled.

17 I think that can be it. It's just
18 to know that it's a negative vote. Thank you.
