How will CN's proposed acquisition of the EJ&E impact you?

I'm 60 yrs now.

1) Instead of silence and relax I will have a noise.

2) Instead fast emergency transportation I will have a long travel on my way to the hospital

3) because I live close to the rail heavy load will damage foundation of my house.

- property ~~and~~ value will go down every year!

4) Long lines an railroad intersection will destroy village whole traffic - which was just improved with big effort and cost

No for CN
