Transcript:

I do not want, I oppose this purchase and this extension of the railroad to be 28 or more times a day through the New Lenox area. This could directly impact this community. We are still a growing area, this would essentially cut us off from any further growth. It'd be very hard to have emergency vehicles get through, etc. I definitely do not want to see this happen and please include me on the list of people that said no. I'm at 815-462-5745. Thank you
