Hi. I'm calling to record a comment against the CN increasing all their railroad cars. I live in Barrington and it's already congested enough with traffic much less getting stopped by that many more increases of trains. I'm referring to docket #35087. I'm concerned about my 3 kids in the district and the congestion and the noise pollution and the pollution in general. My name is Tara Casey and I live in the Barrington area. Thank you.
