Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 8-27-08

Comments must be submitted by September 30, 2008.

I am strongly against the acquisition of the EJ&E by CN. Additional trains coming through Barrington will create safety concerns for ambulances, fire trucks and negatively impact traffic in school areas. Taxpayers should not have to bear the burden of improved crossings which this large corporation has imposed on the communities. The best interests of communities should outweigh the best interests of this Canadian corporation.
