1 MRS. DOOMAN: My name is Dina Dooman,
2 D-I-N-A D-O-O-M-A-N. My address is 154
3 Statton Drive in Bartlett, Illinois 60103.
4 And I have health concerns with the new plan
5 that the railroad has.

6 I have a son who has been sick every
7 year since we moved into this house. He's
8 also had very bad asthma attacks that require
9 him to go to the hospital. And he's missed at
10 least two months of school every year because
11 of it. I also have an older son that is off
12 in college and he's been having severe asthma
13 attacks also unexplained.

14 So the only thing that I can figure is
15 it's something from those trains, whether it
16 be something they are carrying or some
17 emission they let off because he never had
18 this problem as bad as he had in -- as he has
19 it in this house.
