Comments:

I think the purchase of EJ&E by Canadian National Railway is not a good idea for our area for several reasons. In addition to the increase in volume of traffic in the area due to I355 extension, upcoming major mall, and relocation of Silver Cross Hospital to New Lenox, there are the concerns in emergency vehicles as well as commuter traffic being able to maneuver through a already increasingly congested area. We want what is best for our residents in the surrounding areas.
