Dear Congresswoman Melissa Bean,

I am writing you to thank you for what you are doing for the Barrington area. I hope you will continue to fight against the CN railroads' plan to increase the amount of trains coming through our already congested area. I am very concerned about the traffic and the safety issues on Lake Cook Rd. It is already so backed up when the schools let out, I cannot see it being able to handle more congestion. Please continue to fight for our area. I am in support of you!

Thank You Very Much
