Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

Date: 8/30/08

Comments must be submitted by September 30, 2008.

I have already sent a letter regarding my concerns. Below are the main points detailed in my letter.

(1) Kids safety at the high school. Lives are at stake. Crossing at high school.

(2) Medical care. 3 or 4 crossings may be tied up at once. Lives are at stake.

(3) Traffic worse than it already is in Barrington.

(4) Property values decreasing.

(5) No one will EVER want to live in this town!

Thank you for your consideration. This situation will devistate the town of Barrington. The current train situation is already in place + working why change it to benefit Canada NS?

Thank you.

YOUR INPUT IS IMPORTANT!
