Dear Ms. Rutson,

I'm attaching Canaveral Port Authority's supplemental response, with corresponding exhibits, to your Request for Information No. 2-2. Because of the size of the exhibit file, I have compressed it. It appears that it will not go through the Board's servers otherwise, although I believe Elizabeth Diller did receive my original email.

If you have any questions, or any problems with the attachments, please do not hesitate to contact me.

Regards,

Jay
