Draft Environmental Impact Statement for the
Proposed Canadian National Railway Company
Acquisition of the Elgin, Joliet and Eastern Railway
Company

STB Finance Docket No. 35087

Date: 9/2/08

Comments must be submitted by September 30, 2008.

I'm opposed to the EJ&E acquisition
because:

- 1) The amount of trains & length of time the tracks may be blocked significantly impacts on emergency vehicles reaching traffic accident victims & for transporting them to the hospital in a timely manner
- 2) Emergency vehicles also responding to individuals request for help or emergency medical treatment via 911 would also be impacted
- 3) people needing transportation to the hospital may often be delayed due to the trains & delays result in less than optimum treatment & possibly loss of life & or limb
- 4) loss of time in treatment may impact any patient with serious disease - respiratory (asthma) or cardiac, etc.
