Mr. Dave Novecky

Attn: Environmental Filing  
Docket No. FD 35852  
395 E Street, SW  
Washington, D.C. 20423-0001

Re: Proposed Port Canaveral Rail Extension

Dear Mr. Novecky:

I live in the Savannahs housing development 400 yards from the proposed Port Canaveral rail extension. We have been there nineteen years. There are approximately 900 residents in the Savannahs and thousands more in nearby areas that would be effected..

This proposal, if approved, would significantly reduce our quality of life and negatively impact the adjacent federal wildlife preserve as well as nearby waterways.

There is an alternate route though the Cape Canaveral Air Force station that was initially rejected by the Port, but could be very feasible by working out some details.

Please give the alternate route major consideration.

Sincerely,

*Michael S. Raphael*
