Maggie,

That would work fine for UP, however, I would respectfully request that the first call be as soon as possible (in lieu of the first call waiting 2 weeks).

I am free anytime the rest of this week or Monday next week.

Thanks!

Hi Kevin,

Do the first Mondays of the month from 2-3 EST work for you? It sounds like that works best on the STB/Jacobs side.

Thank you,

Thank you Kevin. I'll review the Gantt chart and draft something similar for us to review at our first status call. Adam shared that you discussed the first Tuesday of the month for our recurring calls – can you please let me know what time of day works for you? The first call will be on Tuesday, March 1st, 2 weeks from today, but please let us know if you feel a call is needed prior to that.

Thank you,

Maggie Buckley

Subject: [EXTERNAL] Pirate I/L Additional Info Tier 2-I

Maggie:

I have placed additional info, **Tier 2-I**, out on the ftp site. This is the Air (construction) data.

Note that there is a Gantt chart (pdf) that includes dates. Disregard the dates, of course, but the key being the duration of the activities.

Let me know if you have any questions.

Also, Adam and I discussed having a collaboration meeting with the STB/Jacobs/UP team regarding project updates. Can you please let me know potential dates/times that would work to kick that off?

Thanks,

Kevin Rice, PE

Thank you for setting up these meetings. Can you also add my supervisor, Steve Cheney, to the meeting invites? He is copied on this note.
