Docket No. NOR 42142

CONSUMERS ENERGY COMPANY

v.

CSX TRANSPORTATION, INC.

March 13, 2018

In its decision served on January 11, 2018, the Board directed Consumers Energy Company and CSX Transportation, Inc., to prepare and submit a joint version of the highly confidential Market Dominance appendix (Appendix E) that specifically identifies proposed redactions of any confidential and highly confidential information contained therein.

Pursuant to this notice, the Board's January 11, 2018 decision is being updated to include the public version of the Market Dominance appendix submitted by the parties on February 7, 2018. The public version of the appendix should replace page 286 of the January 11, 2018 decision. An updated version of that decision will be available on the Board's website.

By the Board, Scott M. Zimmerman, Acting Director, Office of Proceedings.
