Re: Finance Docket No. 35087

Dear Acting Secretary Quinlan:

I am reaching out to you today on behalf of the Glendale Heights Chamber of Commerce, in the hopes you will consider our position in support of Canadian National Railroad's proposed acquisition of the Elgin, Joliet & Eastern Railway Company.

While we understand that there are many sides to this issue, and that re-routing trains away from the congestion of the city will have an impact on communities across the region, we strongly believe the positive impact and associated benefits will far outweigh any costs.

Specifically, from this acquisition we expect measurable improvements to the business climate in Glendale Heights as well as to passenger and commuter services for our residents.

Change like this is never easy, but I believe that this acquisition is an important one for our community and the region. On behalf of the Glendale Heights Chamber of Commerce, I urge you to please help position our region for the future by supporting Canadian National Railroad's proposal.

Edward Strangeway
President
Glendale Heights Chamber of Commerce
