Draft Environmental Impact Statement for the Proposed Canadian National Railway Company Acquisition of the Elgin, Joliet and Eastern Railway Company

STB Finance Docket No. 35087

CN | EJ&E

Environmental Impact Statement

Date: 8-27-08

Comments must be submitted by September 30, 2008.

Do NOT approve the acquisition.

If approved, the acquisition would result in unsafe vehicular and pedestrian traffic conditions, depress local business activity and diminish the quality of life all along the rail line.

CN should seek and obtain an alternate route that goes at least ten miles west of the proposed lines, probably traversing much less populated and developed areas.

YOUR INPUT IS IMPORTANT!
