Re: *Georgia Southern Railway Co.—Lease and Operation Exemption Containing Interchange
Commitments—The South Western Rail Road Company, Central of Georgia Railroad Company,
and Norfolk Southern Railway Company*
Finance Docket No. 36324

Dear Ms. Brown:

It has come to our attention that, due to the transposition of the digits in the milepost at or near Metter, Georgia, the Metter Line was incorrectly described on page 2 of the Verified Notice of Exemption filed January 15, 2020,. The description of the Metter Line is corrected as follows:

The Metter Line extends approximately 29.2 miles from milepost W-57.5 at or near Dover, GA to milepost W-86.7 at or near Metter, GA in Candler, Bulloch and Screven Counties, GA.

Please contact me should you have any questions.

Sincerely,

Stinson LLP

W. Karl Hansen
