Transcript:

I am against the CNN purchase of the EJ&E and I have serious concerns about the loss of property and home values that will be impacted by this potential sale. There absolutely has to be some sort of mitigation to those folks that live along the line, because overnight decades of home value will deteriorate and I would really want to strongly go on the record as saying that this is something that needs to take into consideration. Thank you very much. My call back number is 847-550-8960.
