STB Finance Docket No. 35087

Date: 8/27/2008

I live in Tower Lakes and drive every day to the Barrington train station and cross the EJ&E twice a day. I am concerned about the negative impact increased rail traffic will have on my commute - both driving and on Metra. My wife and three kids also cross these tracks multiple times a day. Most significantly, the Bubbelle Landing at Danmora is right next to the crossing at Lake-Lake Road. I'm concerned about the safety of the children at this location.
