Message: Dear Board Members: As a resident of Northwest Indiana, I respectfully urge you to not consider the proposal by CN to acquire the EJE property. Our community is besieged by train traffic with CSX and NS in north Hammond and in south Lake County, we will never get through on Kennedy or other back roads that cross the lines for the EJE and Grand Trunk with increased traffic from the CN. The crossings are inadequate for the amount of traffic traversing the area and more accidents will be incurred if this is allowed to go through.
