How will CN's proposed acquisition of the EJ&E impact you?

THE INCREASE OF 15 TO 26 ADDITIONAL TRAINS WILL BE DEVASTATING TO THE QUALITY OF LIFE TO MANY OF THE COMMUNITIES ALONG IT'S ROUTE. INABILITY TO GET TO & FROM WORK IN A TIMELY FASHION. QUALITY EMERGENCY SERVICES (POLICE-FIRE) WILL BE DRASTICALLY COMPROMISED. IT'S NOT LIKE IN THE CITY WHERE FIRE & POLICE SERVICES ARE MORE AVAILABLE ON BOTH SIDES OF THE TRACKS, OR WHERE THEY MIGHT HAVE AN ALTERNATE ROUTE TO THEIR DESTINATION.

THE ROAD CONGESTION FROM TRAINS WILL BE HORRIBLE.

WHERE IS THE PROPOSED 3 BILLION DOLLARS FOR INFRASTRUCTURE TO COME FROM?

IT BETTER NOT BE THE TAXPAYERS!

Signed

Robert Miro
