

03872.062408.KERKSTRA.PCTZ.60449.O.N

Dear Anne K. Quinlan,

U.S. Surface Transportation Board Finance

June 24, 2008

Re; Docket # 35087 – the EJ & E being sold to Canadian National – I am definitely opposed to this sale. It would impede all emergency services to the communities that it now runs through. The only way this sale could work would be ALL crossings would need an underpass or an overpass.

Thank You
