 Message: I am writing to inform you that my wife, and myself are strongly opposed to the proposed increase in train usage through our neighborhood. Along with our opposition, my in-laws, neighbors, and members of our PTO organization are also opposed to this increase. CN has already said they plan to run 25 trains, night and day, through our community. This effects our peaceful environment, safety of our children, traffic, noise pollution, sleep, and home values.

While many would like to voice there objection, it is not easily done, so I decided to write to you on behalf of the people in my neighborhood that I've talked with about this terrible proposal.

Please join us in opposition to the expansion of the rail traffic though our quite community.

Thank you in advance for supporting our community.
