Alternative option for railway:-

take rail line thru government property
used by Airforce base. to link to ~~KSC~~
KSC rail line.

this land already has rail track
& can be utilized much better than building
rail line close to housing & destroy
wild life Sanctuary.

NOTE: When an individual chooses to submit an Environmental Comment or some Other Submissions, his or her personal contact information is considered public information and is shared within and outside of STB without additional authorization.
