Message:

My family and I are strongly and vocieferously opposed to CN's proposed acquisition of the EJ&E railroad. EJ&E traffic through Plainfield is already inconvenient. CN's acquisition, leading to DRAMATICALLY INCREASED rail traffic will greatly disturb Plainfield's current quality of life offered. This town has developed with a smaller amount of rail traffic in mind, and has many surface crossings. As I have read, CN is not really planning on addressing this situation in my town. It will divide the town in two. We will be disappointed if this purchase goes through. Please do not approve it, please.
