How will CN's proposed acquisition of the EJ&E impact you?

I am a dentist with my office in
Palatine. I employ 15 full time employees
Myself and

I and 5 of my employees come
from points North/West of Palatine
I have to take Lake Cook, 59, 14, or
22 ~~to~~ as part of our daily commute
We all cross the EJ&E tracks to
on our commute. The impact of freight
trains tying up these crossing streets &
interfering with traffic will lengthen our
commutes, waste gas, & generally strangle
the town of Barrington & surrounding towns.
The Barrington HS, Lake Zurich HS are both
adjacent to these tracks, as well.

YIKES!!

Signed
