Re: Finance Docket No. 36273, Chicago, Rock Island & Pacific Railroad, LLC –
Change of Operators Exemption – Rail Line of Coahoma County

Dear Ms. Brown:

C&J Railroad Company D/B/A Mississippi Delta Railroad (C&J) states that Chicago, Rock Island & Pacific Railroad, LLC's (Rock) Change of Operators Exemption contains information that is incomplete.

First – C&J's operating authority is based on the Board's decision in FD 35767 concerning C&J's Acquisition and Operation Exemption – in Tallahatchie County, MS. C&J leased all of Coahoma County's railroad but never had common carrier obligations on the portion of the property beyond the segment Mile Post 103.75 and Mile Post 104.

Second – C&J and Gulf & Ohio Railways, Inc. D/B/A Mississippi Delta Railroad (G&O) referenced in the Board's decision dated June 15, 2001, STB Docket No AB-579 and AB-580, are not the same entity. G&O provided notice to the Board on July 12, 2001, that it had consummated the abandonment and discontinuance of service exemptions in AB-579 and AB-580.

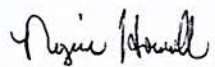

Third – Coahoma County declared C&J's lease of the railroad in default on January 9, 2019, with notice of termination to take effect February 8, 2019. C&J has not had access to the property since February 8, 2019.

Fourth – C&J does not agree to transfer its Acquisition and Operation Exemption to the Rock.
