Hi, this is Diana Thompson and I'm calling to give a comment that based on the title of the public scoping meeting for acquisition, I chose not to attend the public meeting. However, now that I'm hearing that this comment period will be for construction and increase operations as well. I don't believe that this was unclear and my question is are you plan on holding additional scoping meetings and extending the comment period? I live in Naperville, IL and I don't feel that Naperville had an opportunity to come together as a community to discuss possible impacts that this takeover would include. So, if you could put me on your mailing address, my address would be 4535 Cork Tree Rd, Naperville, IL 60564. So, hopefully we'll be able to include a scoping meeting for the Naperville area. Thank you very much. Bye-bye.
