Subject Filings in FD-35087-0

To whom it may concern,

I am filing a response on the behalf of the City of Carbondale. Our POR is recorded under our Mayors name Brad Cole. In preparing our filing I notice that you require the original electronic version to be filed. Does this mean that I can sign it electronically or does it need an actual signature included? Also this will be our first filing and the site indicates that initial filings are not to be e-filed. Would this filing qualify for e-filing?
