As a Resident of Clark County Indiana & a person who has employment in Floyd County/New Albany I request that The STB Please have the City of New Albany Indiana make available the cost to rail-bank & the cost to build the trail (the CSX Hoosiers Sub) I Request the STB to Require the City of New Albany Indiana to make available records of the funding the City has gained for the trail since the talks have started, also make available where these funds are coming from.

I have not been able to find any records online of this what so ever and as a taxpayer firmly believe that the residents of New Albany, Floyd & Clark County's Indiana Have the right to know this information online & in person via PDF file & printed Copy.

Thanks.
